M.C.CLECC is dedicated to make a positive difference in the education and development of children and youth, beginning with school research projects to quantify student's comprehensive contribution to math, critical thinking, and social skills.

M.C.CLECC © develops approved curricula which are beneficial and enjoyable to all students. Local *M.C.CLECC*, communities supplement school instruction with competitions and adult mentoring in supportive, welcoming environments. By providing a life-long learning opportunity helping youths to become noble citizens with a sense of community, commitment and compassion for others, this growing program will be an important asset in our world and endure for generations.

Our Focus

Our primary focus is classroom instruction, complemented by after-school clubs. Our purpose is to develop and improve children's skills in reading, writing, math and science, while fostering social, emotional, and intellectual growth.
