September 13, 2009

It was a pleasure speaking with you This September, about Food Donor Charities.

The M. C. LIBRARY EDUCATION CENTER CORPORATION is a 501(c)(3) non-profit organization created in 2004 to provide free community services to low income families/individuals, featuring social services, libraries, elementary schools, food bank, clothing bank, Health Care Supply, Medicine and furniture distribution. This year we're seeking new partnerships in donating foods this employment disaster in service to those in need in Georgia, Florida & Metropolitans Area.

Target Population: This program is vital to help struggling families in Georgia population is 8,186,453, Florida population is 15,982,378 and Metro Atlanta, a demographic of 65.2% White, 31.6% Black, and 4.9% Hispanic in Atlanta County (2000) and a demographic of 61.4% Black, 33.2% White and 4.5% Hispanic in Metro Atlanta. (2000) Children in the program are aged 5-16, According to the U.S. Census Bureau 38.9 million Americans are living in poverty.

Your donation(s) will make a difference and be greatly appreciated and tax-deductible. Supporting the working family is paramount in strengthening the fabric of society.

At M.C.Library Education Center Corp., that is our vision. We need:

- **Food, beverage, shoe's**
- **Medical Supply, Clothing**
- **School Supply and more Donation**

Again, thank you for considering M. C. Library Education Center Corporation for donations.

If any questions, included is a brochure with our purpose and services.

Please do not hesitate to contact me; I look forward to hearing from you.

Thank you our Transportation available

Sincerely,

Clebert Merat

Clebert Merat, Chief Executive Officer
